

List of participants for the 8th Annual Assembly, 28-29 November 2016, Brussels

This year there were **538 applicants** for the Annual Assembly, out of which **200 organisations** have been selected to take part in the Forum either in the capacity of a participant or observer in line with the eligibility guidelines (drawing on shortlists by the country coordinators in conjunction with the national platforms, the working group coordinators, and the European Union delegations in the six Eastern Partnership countries). 167 out of 200 selected organizations will take part in the Annual Assembly in status of participant, whereas 33 organizations will be attending as observers. **22,8% of the selected delegates** coming to Brussels have not attended the Annual Assembly of the Forum in Kyiv in 2015. **26,9% of the participants** are new participants who never attended the Forum.

The organisations here are divided **into Participants (with the right to vote) and Observers (without the right to vote)**. Only participants can vote during the annual meetings to select the Steering Committee of the Forum and on any other matter raised at the annual meeting. **Each participant or observer is part of a Working Group** in which activities he/she will be taking part at the annual assembly and throughout the year 2017 (annual Working Group meeting in the first half of 2017). The Working Group can only be changed after the annual assembly upon a written request to the EaP CSF Secretariat. Additional attendees outside of this list might be present, including but not limited to journalists, government officials, representatives of the EU institutions and EU partner country governments.

The list below contains the names of organisations only. However please note that the delegates whose name were provided in the application form will be representing the organisations at the annual assembly. The organisation can change the delegate who will be attending the annual meeting of the EaP CSF only by informing the EaP CSF Secretariat in writing. The delegate cannot be changed after 31 October 2016 or after the ticket has already been bought (whichever happens earlier).
