Those who are taking part in the general assembly of the Forum in the status of a participant will be part of the national delegation of a respective EaP country (limited to 20 slots per country) or a group of CSOs from EU MSs (limited to 40 slots). The European Commission is funding the participation of those who are elected to take part in the Forum in the status of participant. Only participants can vote during the annual meetings to select the Steering Committee of the Forum and on any other matter raised at the annual meeting. Observers fund their own expenses to take part in the annual meeting of the Forum and as their status prompts do not participate in any decision-making processes. Both participants and observers can take part in activities of Working Groups of the Forum, however observers' participation in the annual Working Group meeting cannot be funded by the European Commission. Both participants and observers will be added to the list of Forum members and will be receiving regular communications from the EaP CSF. At the end of the selection process all applicants will be informed if they were selected to take part in the annual meeting and if so in what status.
