# Current model

## **Platform 2. Economic integration & convergence with EU policies**

*This platform's work focuses on smart, sustainable and inclusive development of a free-market economy. The goal is a modern, social and environment-friendly economy that provides jobs and growth.*

*The Work Programme is foreseen for a period of four years (2014-2017) with a mid-term review allowing for possible adaptation of the Work Programme.*

The Participants of Platform 2 adopt objectives, targets and planned activities (established per Panel and Work Area) of the Work Programme 2014-2017 in accordance with the General Guidelines and Rules of Procedure of the Eastern Partnership Multilateral Platform.
