

## List of participants for the 7th Annual Assembly, 20-21 November 2015, Kyiv

This year there were **425 applicants** for the Annual Assembly, out of which **236 organisations** have been selected to take part in the Forum either in the capacity of a participant or observer in line with the eligibility guidelines (drawing on shortlists by the country coordinators in conjunction with the national platforms, the working group coordinators, and the European Union delegations in the six Eastern Partnership countries). **43% of the selected delegates** coming to Kyiv have not attended the Annual Assembly of the Forum in Batumi in 2014. **28% of the attendees** are new participants who never attended the Forum.

The organisations here are divided into Participants (with the right to vote) and Observers (without the right to vote). Additional attendees outside of this list might be present, including but not limited to journalists, government officials, representatives of the EU institutions and EU partner country governments. Each participant or observer is part of a Working Group in which activities he/she will be taking part.

2. Economic integration, convergence with EU policies
